CERTIFIED MAIL  
RETURN RECEIPT REQUESTED

September 9, 1985

Mrs. Anna Shaffer  
Shaffer Equipment Company  
Box 310  
Minden, West Virginia 25879

Dear Mrs. Shaffer,

This is to inform you and provide notice that the U.S. environmental Protection Agency is about to spend additional funds to further investigate and take corrective action involving releases of hazardous substances, pollutants and other contaminants at the Shaffer Equipment Company, located in Minden, West Virginia. This action is authorized by the Comprehensive Environmental Response, Compensation and Liability Act of 1980, 42 U.S.C. 9601 et seq. (CERCLA). Under CERCLA, responsible parties may be liable for money expended by the government to take necessary corrective action at the site, including investigation, planning, clean-up and enforcement costs. Potential responsible parties include the current owner or operator of the site, the past owner or operator of the site, and persons who generated the substances or were involved in transport, treatment or disposal of them at the site.

EPA believes that you are a potential responsible party. As before, EPA is extending to you the opportunity to voluntarily perform the required work to further secure the site and abate the threat to public health and the environment. Specific information as to the steps necessary to control and stabilize this site can be made available upon request by calling or corresponding with Mr. Robert E. Caron, Federal On-Scene Coordinator, or Mr. Martin Harrell, Assistant Regional Counsel at (215)-597-2711 or (215)-597-7739.

Sincerely,

Robert E. Caron  
On-Scene Coordinator  
U.S. Environmental Protection Agency
